

VARIOUS POLLUTION TIDBITS

- ***IT IS ESTIMATED THAT THE SAME AMOUNT OF OIL RELEASED FROM THE OIL TANKER, EXXON VALDEZ, SPILL – 10.9 GALLONS- WASHES OFF OUR COASTAL LANDS AND INTO THE SURROUNDING WATERS EVERY EIGHT MONTHS!!***
- ***MILLIONS OF POUNDS OF SOLID WASTE SUCH AS PAPER, GLASS, METALS, RUBBER AND PLASTICS ARE DUMPED IN OUR OCEANS EVERY HOUR.***

HELP STOP

Make a difference by helping to stop water pollution

Always dispose of garbage correctly

Recycle and reuse as many items as possible

Implement school, and home environmental programs

Notify companies and organizations about your concerns

Educate others about water pollution

Don't forget to dispose of 6 pack holders properly (cut them)

Eliminate waste by shopping and buying smartly

Beach clean-ups are always the right thing to do

Recognize and praise those who are making a difference

Illegal dumping of water pollutants should be reported to the Coast Guard

Saving our waters and Earth is a cause worth fighting for.
